Processing of an application for renewal of the residence permit	three months ***

* The third-country national who is a family member of an EU citizen must apply for a residence card within the three months following his or her first meeting with the municipality of his or her chosen place of residence. A receipt that testifies the request for a residence card is given **immediately**. This receipt can serve as a residence card for a period of **six months** maximum.

► Continued on back page

** The third-country national who has been authorised to stay on Luxembourg territory must go to the council of his or her chosen place of residence within the **three working-days** following his or her arrival, taking the temporary authorisation to stay, in order to complete a declaration of arrival. He or she will be given one copy of the declaration as a receipt. The possession of this receipt and of the authorisation to stay provides proof of the legality of the stay until the residence permit has been issued. The applicant must undergo medical examination.

*** Requests for renewal of residence permits must be submitted to the minister two months before the expiry date of the permit.

IMPOTRANT:

The time limits only become relevant once the application submitted to the minister is complete! Only the applications that include the required indications and documents will be processed. An incomplete application will be returned to the applicant.
